

RECRUITING PARTICIPANTS FOR A STUDY

UNIVERSITY OF
TORONTO

*My name is Jessica Stallone. I am a PhD Student at the University of Toronto, studying sociology. For my thesis project, I am curious to learn more about **the experiences and ideas of people of Québécois origin** (people that consider themselves Québécois with parents of Québécois origin).*

I am interested to interview men and women of all ages and levels of education. I want to hear your thoughts about:

01. *Your community and social life*
02. *Your perceptions about how, if at all, your community has changed over time*
03. *Your identity, feelings and ideas about what it means to be Québécois*
04. *Your understandings about laws such as Bill 21, that declare to uphold Québec values of laïcité*

If you are interested in participating, please contact me at:
